

# **Re: 48 hour notice of construction activity for Phase IIB— downtown sewer and water**

Dear Homeowner/Resident

The following notification is being provided to you because construction activity will begin in your area in conjunction with Town of Nantucket Phase IIB—downtown Sewer and Water Replacement project. It's our goal to minimize impacts of construction on residents and surrounding area.

**The preparation for repaving work will start October 14, 2014**

Again the effects on residence will be minimal but we need to make sure you are aware of the potential impacts. If you have questions regarding this notice, the proposed work, or duration please do not hesitate to contact the officials below.

**Town Inspector/Consultant—Len Avery, Jr. Phone #(774) 722 3933**

**Project Superintendent Todd Theroux Phone #(508) 400 3037**

**Date of notice: 10/9/14**

**THANK YOU FOR YOUR UNDERSTANDING.**
